<p>What investment services and advice can you provide me?</p>	<p>TTP Investments provides retail investors with a wide range of investment advisory services, including asset management, and financial planning and consulting. We manage all investment accounts on a discretionary basis, which allows us to buy and sell investments in your account without asking for approval in advance. TTP Investments does not require a minimum initial investment from its asset management clients. As part of your portfolio management services, we will continuously monitor your investments and provide advice. We do not limit the types of investments that we recommend.</p> <p><i>For additional information</i>, please see our Form ADV Part 2A, Items 4, 7, 13 and 16.</p> <p>Conversation Starters. Ask your financial professional:</p> <ul style="list-style-type: none"> • Given my financial situation, should I choose an investment advisory service? Why or why not? • How will you choose investments to recommend to me? • What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean? 								
<p>What fees will I pay?</p>	<p>TTP Investments bases its asset management fees on a percentage of assets under management. The client will pay annualized advisory fees as follows:</p> <table border="1" data-bbox="410 1087 1352 1234"> <thead> <tr> <th>Assets under Management</th> <th>Annual Percentage of Assets Charge</th> </tr> </thead> <tbody> <tr> <td>Growth Portfolio Assets</td> <td>0.90%</td> </tr> <tr> <td>Balanced Portfolio Assets</td> <td>0.90%</td> </tr> <tr> <td>Conservative Portfolio Assets</td> <td>0.50%</td> </tr> </tbody> </table> <p>We do not charge performance-based fees.</p> <p>Financial planning and tax services are billed on an hourly basis. Any fees we charge for financial planning and tax services will not cover the costs associated with implementing any recommendations we may make.</p> <p>The more assets there are in your account, the more you will pay in fees, so we are incentivized to have you increase your account’s assets.</p> <p>TTP Investments’ fees are exclusive of brokerage commissions, transaction fees, and other related costs and expenses incurred by the client. Clients may incur certain charges imposed by custodians, brokers, and other third parties such as fees charged by managers, custodial fees, deferred sales charges, odd-lot differentials, transfer taxes, wire transfer and electronic fund fees, and other fees and taxes on brokerage accounts and securities transactions. Custodial fees may be charged for account closures. Mutual fund fees and expenses are described in each fund’s prospectus. These fees will generally include a management fee, other expenses, and a possible distribution fee.</p>	Assets under Management	Annual Percentage of Assets Charge	Growth Portfolio Assets	0.90%	Balanced Portfolio Assets	0.90%	Conservative Portfolio Assets	0.50%
